

## REQUEST FOR PROPOSALS

The City of Cathedral City requests proposals from qualified professional architectural/engineering consultants to prepare the plans, specifications, and estimates (PS&E) for the construction of the 17-acre, 30<sup>th</sup> Avenue Soccer Park.

## PROJECT DESCRIPTION

The proposed Cathedral City Soccer Park is located adjacent to James Workman Middle School at the northwest corner of 30<sup>th</sup> Avenue and Santoro Drive. The project involves the development of approximately 15 soccer fields of various dimensions to accommodate the individual age levels of soccer players. The 30<sup>th</sup> Avenue Soccer Park will be open for play on October 1, 2006. However, site amenities, such as, the concession/restroom facility may be constructed after the date the fields are available for use. Proposals shall include a scope of work, fee schedule, project schedule, and a project specific statement of qualifications. The selected consultant shall prepare the PS&E for (1) paving, grading, drainage, and landscape (2) utilities (including irrigation, sewer, water and electrical), (3) concession/restroom facility, and (4) bid support during construction. A copy of the request for proposal may be obtained from City Hall.

Proposal packages are to be submitted to the City on/or **before March 20, 2006 at 3:00 p.m.** Proposals received after the stated deadline shall not be accepted. Proposal packages are to be delivered to:

William O. Bayne, City Engineer
